ABOUT ME

I am passionate about art, design, and content writing I do a lot every day and study new things all the time. I LOVE being updated on the latest trends.

I have paved my way through IGN Entertainment and gained experience in reviewing, editing, and composing original content over the years.

I am proud to have gained a Creative Designer experience in a Marketing Agency when I first started as a Junior.

I aspire to be the best in any task given to me and better my skills in any field I am in.

ARMY

F-16 Fighter Jet Electrician, Ramat David Base. I serviced from August 2013 – August 2015. for my mandatory service. I've learned how to fix all the electric parts for the fighter jet. Been in Zuk Eitan operation.
